

Off-Site Testing Information

1. Making your appointment for an off-site test is **TIME SENSITIVE**. In order to be included for the test you **must hand in the following ASAP**:
 - a. (1) copy of your permit (front only)
 - b. **\$110 check to Nationwide Driving School**. That is our fee for the use of the location and vehicle for the driving test.

Once we reach the maximum capacity the test is closed. **First come, first served.**

2. Upon passing you will be given a temporary license which is good for 30 days, along with a flyer instructing you to pay the DMV online for the actual license. You must **WAIT AT LEAST 24 HOURS** after the exam to visit the DMV website. You will be given an EDEC. That is an acronym for *Electronic Drivers Ed Certificate*.
3. Students must be dropped off at appointed times. Parents are asked not to wait.
4. Each road test takes approximately 15 min. **Please understand that the test does not begin when you drop off your student**. Plan for testing to take up to an hour or longer. Please be patient and wait for him/her to contact you before coming to pick them up.
5. For students testing with us, they will be given an **EDEC form** at the completion of the test. Parents must keep this form. Give **COPIES ONLY** (not the original) to your insurance agent. This form should be kept throughout college.
6. For students testing on their own, we will need **ONE WEEK NOTICE** to provide the EDEC form. Please do **not** call us on the day or night before your test. These are electronic forms that need to be submitted to the DMV so we must allow time for them to be processed. We are **not responsible** if you do not request your form with at least **one week notice**.
7. Be advised that once the inspector arrives, **they are in charge of the test**. We are not allowed to interfere. The state determines the outcome. Please make sure your child has practiced vigorously and is prepared before allowing them to test.
8. If the student fails and chooses to retest with us, there will be an \$80 (check) fee to us along with a \$40 (cash) fee which covers the DMV charge.

Good Luck!
