GUIDELINES, PROCEDURES, AND RULES

Our course consists of 30 hours of classroom instruction and eight hours of behind-the-wheel instruction. Classes are taught Monday through Thursday from 6-8pm. Start any day. Attend twice weekly. The same class is taught Monday and Tuesday and the same class is taught Wednesday and Thursday. You can mix and match. A missed class may be made up the next time that particular class is taught.

Cost

The complete cost is **\$685**. Additional road lessons are offered at the cost of **\$70** per hour. There is a **\$125** fee if you choose to test through NDS (see "Offsite Testing Information"). The 30-hour classroom portion only is **\$335** (non-refundable). **NDS reserves the right to revise fees as needed at any time due to fluctuations in the cost of doing business.**

Payment Policy

The first payment of **\$345** is due **upon enrollment**. The second payment of **\$340** is due 30 days after the first payment. There is a \$25 charge for a returned check.

In-Car Lessons

The student may call the office Mon-Thurs from 9-5 to set up lessons when they are ready to begin.

Student Pickup for Driving Lessons

Included in our pricing is home, school, or work pick-up and drop-off at no extra charge. This is a valuable option for busy families! We pick up and drop off at Conard, Hall, Hebrew High School, Kingswood Oxford, Miss Porters, Northwest Catholic, and Watkinson.

Students wishing to drive from the hours of 6 pm to 9 pm during the winter months will be picked up and dropped off **ONLY** at the driving school. The reason for this is that finding houses in the dark and on busy streets can be very difficult and dangerous.

Road Lesson Cancellation Policy

A 24-hour notice must be given to cancel a road lesson (48 hour notice for Friday, Saturday, or Sunday). There will be a \$70 charge for a missed one-hour appointment. **This rule is strictly enforced.** A missed 1 ½ hour lesson will result in the regular hourly charge plus \$10. State law requires the student to carry his or her permit at all times while driving. Students will receive a **confirmation phone call prior to each lesson**. The student and/or parent are responsible for checking for messages. Please add your appointments to your calendar.

How to Enroll

Download "[Application for Enrollment](#)"; fill out carefully and **bring to first class along with deposit check**. While you're there also download 5 sheets of "Class Attendance Notes" and put aside. This will allow the student to easily take notes which is mandatory during class.
